**PART 4. INSTALLER AND REPAIRER LICENSING**

**R 125.1401 Advertising; prohibited activities.**

Rule 401. A retailer, in connection with the sale of homes, equipment, or accessories, shall not, directly or indirectly, engage in any of the following activities:

- (a) Advertise a home for sale if the name of the retailer does not appear in the advertisement. A home committed by a home owner to a retailer for sale may be advertised if the offer visibly states that the home is "offered on consignment."
- (b) Advertise a home and falsely offer any year of manufacture, make, type, model, serial number, fixed location, price, equipment, or terms or make a claim or condition to the sale of a home that is not truthful.
- (c) Advertise the phrase "close out," "final clearance," or "going out of business" or similar phrases in connection with home sales unless the phrase is true. A retailer who is going out of business shall comply with the provisions of 1961 PA 39, MCL 442.211 et seq. which includes regulation of the sales activities of businesses that are going out of business.
- (d) Advertise the term "authorized retailer" if the retailer is not a manufacturer's authorized retailer or advertise as a franchised retailer if the retailer is not a registered franchised retailer under 1974 PA 269, MCL 445.1501 et seq.
- (e) Advertise a home by making inaccurate, misleading, or false comparisons with competitors' services, prices, products, quality, or business methods.
- (f) Use a picture or photograph of a home in advertising if the picture or photograph does not represent a home of the same year of manufacture, make, and model and does not contain all the standard equipment of the model that is actually being offered for sale at the price quoted in the advertisement.
- (g) Advertise a home for sale in a manner that conveys or creates an erroneous impression as to which home is being offered at the advertised price.
- (h) Advertise the statement "write your own deal" or "name your own price" or similar statements, unless the statements are true and a buyer can, in fact, negotiate his or her own price.
- (i) Advertise the phrase "at cost," "below cost," "below wholesale," "below invoice," "above cost," "above wholesale," or "above invoice" or similar phrases, unless the phrases are true. As used in this subsection, "cost" means the actual price paid by a retailer to a manufacturer for a specific home as that price appears on the retailer invoice received from the manufacturer.
- (j) Advertise a specified trade-in amount or range of amounts for a pre-owned home without offering the advertised trade-in amount or range of amounts regardless of the condition of the pre-owned home when presented to the retailer for trade-in by a prospective customer, unless the statement "subject to condition appraisal" is contained in the advertisement.
- (k) Advertise that "no retailer has lower prices," "the retailer is never undersold," or statements of similar meaning, unless the statements are true.
- (l) Advertise in a manner that is false or misleading as to what a new home guarantee, warranty, or protection includes.
- (m) Advertise the phrase "manufacturer's warranty," unless referring to a new home covered by a bona fide written manufacturer's warranty.
- (n) Advertise equipment, accessories, or other merchandise as "free" if the cost, or any part of the cost, is included in the quoted price of the home.
- (o) Advertise the phrase "no credit rejected" or "we finance everyone" or similar phrases, unless the phrases are true.
- (p) Advertise the offering of a rebate or referral bonus unless true.
- (q) Advertise a home as new, unless it has never been occupied. A home which is not of a current year of manufacture, but which has never been occupied, may be advertised as new if the year of manufacture is stated in the advertisement.
- (r) Advertise, or infer by advertising, that a home is "repossessed," unless it is true.
- (s) Advertise in any manner which infers that a purchaser will be receiving benefits of an existing loan on a home if the benefits do not exist.
- (t) Advertise pre-owned homes as carrying an unused portion of the original manufacturer's warranty, unless this is true.
- (u) Advertise the terms of financing a home, unless the advertisement is in compliance with all of the requirements of the federal truth in lending act, 15 U.S.C. §601 et seq., and the accompanying regulation Z, 12 C.F.R. part 226 et seq.
- (v) Advertise under any other name than that which appears on the retailer license.
- (w) Advertise for the buying of a home without the telephone number and the name of the retailer.

**R 125.1403 Consumer deposits; providing consumer with executed purchase agreement; recording amount of consumer deposit; refunds; notice to consumer of intent to cancel purchase agreement; accepting deposits and agreements in name of retailer; escrow accounts; alternative to escrow account; notice of refund on purchase agreement.**

Rule 403. (1) Before receiving a consumer deposit, a retailer shall give the consumer an executed purchase agreement.

(2) Unless the retailer has a consumer deposit bond or cash or security deposits under subrule (9) of this rule, a consumer deposit shall be placed in an escrow account and remain there until the closing. After the closing, the retailer may transfer the deposit to a general account.

(3) A retailer shall record the exact amount of the consumer deposit on each request for financing that is sent to a lending institution.

(4) A retailer shall refund to a consumer the total amount of a consumer deposit on the purchase of a home not more than 15 banking days after a request for financing has been rejected by the lending institution or if the consumer cancels the purchase agreement before the binding date under subrule (13) of this rule. The consumer shall notify the retailer, in writing, of his or her intent to cancel the purchase agreement. The notification shall be delivered to the retailer by certified mail postmarked before the close of the business day on the binding date to be eligible for return of the consumer deposit. A retailer has no obligation to refund the consumer deposit if the consumer cancels the purchase agreement of a new or pre-owned home after the binding date. As used in this subrule, "binding date" means either 7 days after the date that a purchaser of a home receives a legible copy of the executed purchase agreement or the time at which the purchase agreement is executed if an application for certificate of manufactured home ownership is executed within 7 days.

(5) An employee who accepts consumer deposits and purchase agreements in the name of a retailer is authorized by the retailer to accept the deposits.

(6) As a condition of licensing, a retailer shall establish an escrow account, post a consumer deposit bond, or deposit cash or other securities in compliance with the provisions of section 24(c) of the act for the protection of consumer deposits received by the retailer.

(7) If a retailer establishes an escrow account, the retailer shall place all consumer cash deposits or similar negotiable instruments of the consumer's deposit in the escrow account by the end of the second banking day following receipt. Escrow accounts shall be maintained as checking accounts.

(8) A retailer may maintain an escrow account at each location where it maintains records. A retailer may maintain not more than \$500.00 of its own funds in each deposit escrow account to cover bank service charges and to avoid the account being closed or overdrawn if there are no other funds in the account. The funds shall be accounted for in a bookkeeping system as prescribed in these rules.

(9) In place of an escrow account, a retailer may maintain, for each location, a consumer deposit bond or cash or security deposits in an amount equal to the highest monthly receipts of consumer cash deposits and cash value of other security deposits recorded over the previous 3 years. If the highest monthly receipts formula is used to determine the amount of the bond or deposit, then the amount of the bond or deposit shall be adjusted to reflect the previous 3 years' experience before a license is renewed. If at any time the consumer deposits received exceed the amount of the bond or deposit established under the formula, then the retailer shall immediately increase the amount of the bond or deposit or escrow the excess amount.

(10) If a retailer posts a bond or deposits cash or other securities, then the retailer who files an initial application shall maintain the bond, cash, or other securities at a minimum of \$10,000.00 per location until sufficient data is available to comply with the formula. If the retailer has more than 1 location, then the required bonds or deposits may be combined into 1 bond or deposit.

(11) All bonds shall be made payable to the "State of Michigan" on a form prescribed by the department and shall accompany an application for a retailer's license. All cash or security deposits shall be deposited with the State of Michigan upon application for a retailer's license. If the application is for a renewal license only, and if a copy of the bond is on file and

**Annual Administrative Code Supplement**

the bond is continuous or if the cash or securities are on deposit, then this subrule shall not apply.

(12) If a retailer establishes an escrow account, then the retailer shall file, with the department, on a form prescribed by the department, an affidavit attesting to the fact that account has been established. The affidavit shall be filed as an enclosure to the retailer license application.

(13) The front of each purchase agreement shall contain the following statement in not less than 8-point, boldfaced, all caps type:

“Seven days after the purchaser receives a legible copy of the executed purchase agreement, or if any time within the 7 days an application for a certificate of manufactured home ownership is fully executed, the sale is final and the retailer is not obligated to refund the consumer deposit if the purchaser subsequently cancels the agreement. If the purchaser elects to cancel the purchase agreement within the 7 day limit and an application for a certificate of manufactured home ownership has not been fully executed, the purchaser shall notify the retailer in writing by certified mail postmarked before the end of the seventh day to be eligible for full refund of the consumer deposit.”

The minimum size of the threaded inlet connection shall be 3/4 of an inch . An easily accessible, hand-manipulated shutoff valve shall be installed on the water supply inlet to the home. A water supply protection device, such as a heat tape, which is approved to be sold or for use in this state by the state construction code commission and which is designed for use with homes, shall be installed at the time the home is installed on a home site to prevent service lines, valves, and riser pipes from freezing. The water service riser shall be insulated and covered to prevent the loss of heat. If an extension cord is used, it shall be listed by underwriters laboratories or by a similar organization and shall be approved for exterior use. The protection device shall be installed in compliance with the manufacturer's specifications as approved by the state construction code commission. Combustion air inlets and flue gas outlets shall be listed or certified as components of the appliance. The required separation may be obtained by installing direct vent system (sealed combustion system) appliances or by installing appliances within enclosures so as to separate the appliance combustion system and venting system from the interior atmosphere of the home and ensuring that there is no door, removable access panel, or other opening into the enclosure from the inside of the home and that any opening for ducts, piping, wiring, or similar items is sealed. This paragraph applies to the installation of the systems specified in this paragraph in new and pre-owned homes.
  - (ii) An easily accessible, approved, hand-manipulated shutoff valve controlling the flow of gas to the entire gas piping system shall be installed as close as possible to the service meter or supply connection of the liquefied petroleum gas container. Approved piping that has a 1/2-inch or more inside diameter shall be used for any gas line. After the home is connected to the service meter or supply connection, the piping system shall be tested to not less than 10 inches nor more than 14 inches of water column (1/2 psi). An appliance connection shall be tested for leakage with soapy water or bubble solution.
  - (iii) A fuel supply system other than gas shall be in compliance with state codes.
  - (iv) Fuel supply meters, regulators, shutoff valves, and pedestals shall not be located under a home or within a skirted area.
  - (v) Natural gas, liquefied petroleum gas (LPG), and fuel oil piping that connects the home to the service pedestal or tank shall be installed underground if the distance between the pedestal or tank and the home is more than 2 feet.
- (c) Drain: Schedule 40 ABS or PVC plastic pipe that has the same diameter as the drain outlet shall be installed from the home outlet to the home site sewer service riser. The drain line shall be supported at not less than 4-foot intervals. Plumber's strapping shall be used for support where possible. All joints shall be sealed to preclude leaks. There shall be an approved seal at the sewer riser. All drain lines shall have a cleanout installed within 2 feet of each drain outlet.

(e) Electrical meters and pedestals shall not be located under a home or within a skirted area.

(f) An electrical supply line shall not be installed so as to lie on the surface of the ground or permit the cord or line to hang over the home. For all homes installed before July 17, 1985, the line shall not be suspended less than 7 feet from the ground above designated pedestrian walkways. For all homes installed on or after July 17, 1985, if the distance between the electrical pedestal and the home is 2 feet or more, then the line shall be placed underground according to state codes.
